ACTION: Notice.

SUMMARY: The purpose of this notice is to solicit nominations for an academician for the Eastern Washington Resource Advisory Council, established and authorized in 1995 by the Secretary of the Interior to provide advice and recommendations to the Bureau of Land Management (BLM) and the U.S. Forest Service on management of public lands.

The Council was established in August, 1995, and is composed of 15 members. This notice requests nominations to fill the vacant academician position for the balance of the term which expires in August of 2001.

The Council, which covers much of eastern Washington, has worked closely with the BLM on the development of standards for rangeland health and guidelines for grazing management, and in providing comments on the Interior Columbia Basin Ecosystem Management Project.

This Council is authorized under the Federal Land Policy and Management Act (FLPMA), which directs the Secretary of the Interior to involve the public in planning and issues related to management of lands administered by BLM. As required by the FACA, Resource Advisory Council membership must be balanced and representative of the various interests concerned with the management of public lands.

Individuals may nominate themselves or others. Nominees must be residents of the State of Washington. Nominees for the academician position will be evaluated based on their experience as an academician in a natural resource related field and their knowledge of the geographic area covered by the Council. Nominees must also have demonstrated a commitment to collaborative resource decision making. The BLM Oregon/Washington State Director, the Forest Service Regional Forester, and the Washington Governor's Office will forward the nominations to the Secretary of the Interior, who will make the appointment to the Council.

This nomination period will also be announced through press releases issued by the BLM Oregon/Washington
